### **Youth Sunday**

Be sure to join us for our special worship on April 26. Our Confirmation Students have been planning and practicing for this unique presentation. They will lead the service that will be presided by Pastor Robert Kunz. A big thank you goes out to Sue Monsen for all her hard work in preparing the students for this day.

### **Zion Art Show**

An art show will be held on May 2, 2009, which will display the various artistic talents of the Zion congregation. ALL are invited and encouraged to submit a piece of art around the theme of 'New Life'. The evening will give opportunity for both performance and display; so if you are a musician, singer, dancer, or thespian we hope you'll share your art with us as well. Other types of art might include (but are certainly not limited to) drawing, painting, sewing, quilting, poetry, collage, photography, pottery, culinary art, video art, graphic design, scrap-booking, banner making, etc. A sign-up sheet is posted outside the coatrooms for all interested artists. Blessings on your creative endeavors! For additional information, or if you're interested in helping with planning, contact Jenny Siebert at [jenny.siebert@hotmail.com](mailto:jenny.siebert@hotmail.com).

## **CARING FOR OTHERS**

### **Faith In Action**

Beginning sometime in late April, Dr. Susan Levy (Highland Park resident and national expert in Health Literacy) and Dr. Audrey Gordon (SELCFIA Executive Director) will conduct sessions in health literacy in various places in Highland Park and Deerfield. These will continue throughout the year. Health literacy is defined by the U.S. Department of Health and Human Services as "the degree to which individuals have the capacity to obtain, process and understand basic health information and services needed to make appropriate health decisions." Health literacy includes the ability to understand instructions on prescription drug bottles, appointment slips, medical education brochures, doctor's directions and consent forms, and the ability to negotiate complex health care systems.

The Faith in Action cookbook "Best of the Neighborhood" is still available at Zion. Each book is \$15 but if you purchase 3 or more, the price drops to \$12 per item. If you're interested in buying, see John Krifka, Jane McCarthy, or Leslie Ward.

## Health Screenings That Could Save Your Life

**Life Line Screening**, the nation's leading provider of community-based preventive health screenings, will offer their affordable, non-invasive, painless health screenings at our church on **Thursday, April 16, 2009**. Screenings will be offered that scan for potential health problems related to: blocked arteries, which is a leading cause of stroke; abdominal aortic aneurysms, which can lead to a ruptured aorta; hardening of the arteries in the legs, which is a strong predictor of heart disease; and atrial fibrillation or irregular heart beat, which is closely tied to stroke risk. Register for the Stroke, Vascular Disease and Heart Rhythm Package for \$139. All four screenings take 60-90 minutes to complete. Your health is in your hands, so please call 1-888-653-6441 for more information or to pre-register.

## PATHS TO A CHRISTIAN LIFE

On the following pages are breakdowns of all the committees, groups and choirs of Zion Lutheran Church. Whenever possible, both the contact person and the council liaison is noted for the particular group. We suggest that you keep this 2-sided sheet handy if you have questions about activities or practices at Zion. Leslie Ward, our administrative assistant, is available Tuesdays through Fridays to answer general questions, but many times your fellow congregation members are the best resource for the information you require.
